

Who is interested in our game?

By Angel, Gerrick, & Steven

This guy's name is Jonathan Jamai Colanthrope Harrison III Esquire

Age: 16 (soon to be 17)

Profession: He's still in school. Got into gaming at 8 years old, starting making beats at 13. A and B student, 3 months in his Senior year, about to go to College when he graduates to focus on his career of being a beat producer or something involving technology. (maybe both, you never know.)

Favorite Games: Undertale, Fortnite, Fatal Fury, & Pizza tower.

Hobbies: gaming (big variety), learning in his free time, makes beats (starting out)

What kind of games do you play? Why?

John had a trend of liking
RPG's and Fighting Games.

Specifically, games that made
him think about his next move

What kind of art styles catches John's attention?

John likes a variety of different art styles, nothing he really prefers.

Notable Answer(s):
"Idk" (Swaraj)

How important are sounds and music in making you feel immersed in a game?

Consistently, John found sounds in game VERY, VERY important to the game's experience.

Notable Answer(s):

“Very important as I will remember the game for another reason other than gameplay” (Dallas)

What do you usually look for in a story-driven game?

John said good characters, branching choices, a strong plot etc!

Notable Answer(s):

"A good story you bum" (Swaraj)

Do you prefer a linear storyline, or a story that branches off of your choices?

John answered
branching
storylines.

Notable Answer(s):
"Yes" (Christopher Iboy)

How cute is my puppy?

John answered 9.5 :D

Notable Answer(s):

"1" (Dex) ← Idiot

"Btw ur puppy is rly cute" (smirks) ← random guy online
